BE KIND

*In this life what you Get
Depends on what you're looking for.
If money's all that matters
you're always wanting More.*

*But don't leave bodies stacked
Piled high around your door.
Try to love your neighbor more
you're not here to wage war - so*

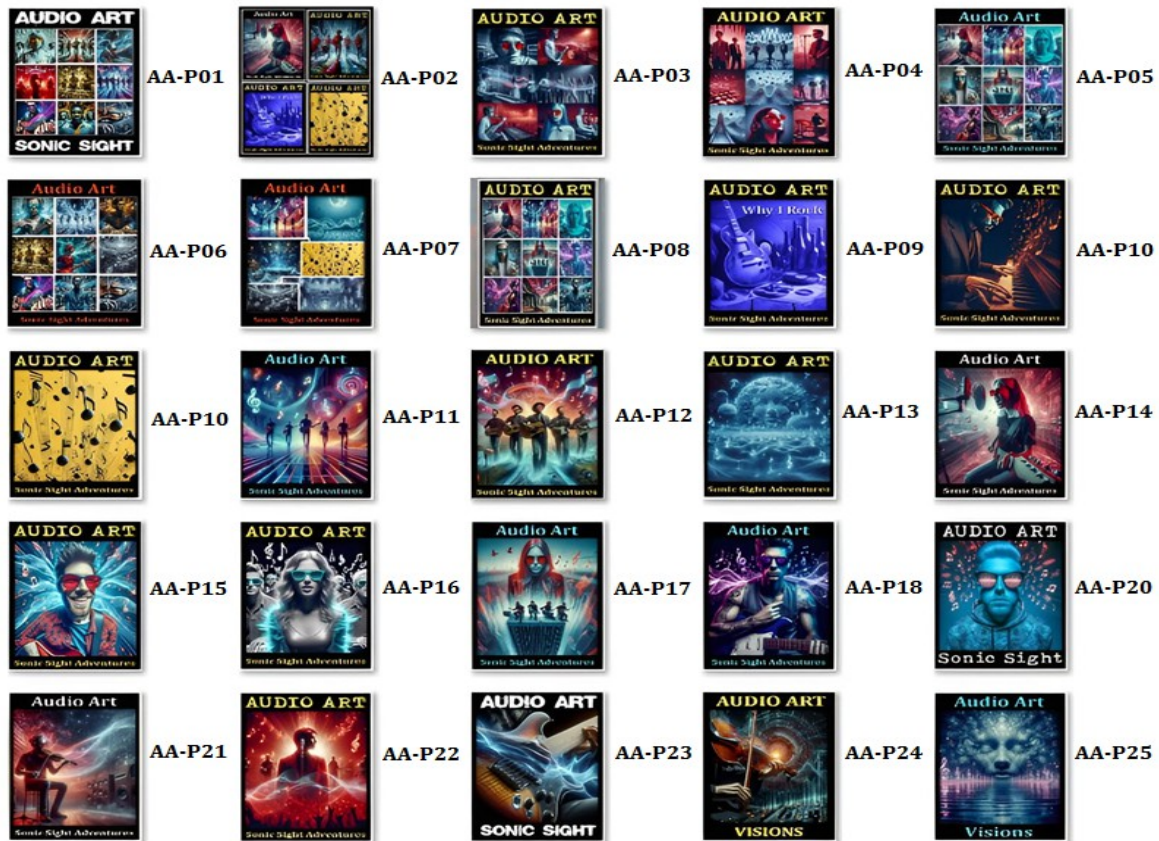

*So Be Kind, Be Kind -
And Let your love light shine.
Be Kind, you'll find -
You'll have a better time.*

*No karmic curse or bad luck blues
Or enemies to light your fuse
Anger makes you blind -
It's better to Be Kind.... So Be Kind.*

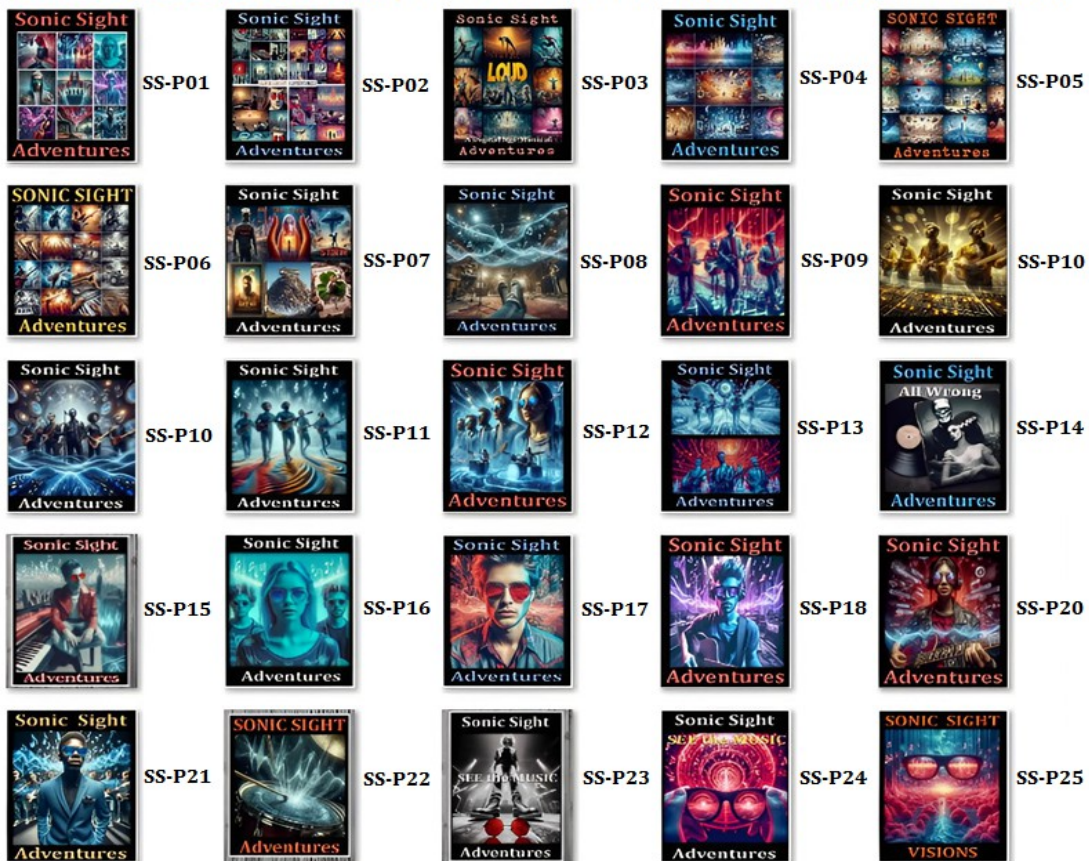

Just Be Kind...Be Kind.
